

SIMULATOR INFORMATION

FAA ID # 722

*Handwritten signature*

**Simulator Identification Number** 747-400 #1

**Aircraft Being Simulated** Boeing 747-400

**Aerodynamic Data Revision** D611U309, Revision E

**Flight Test Resource/Proof of Match** D611U315, Revision B

**Engine Model and Data Revision** CF6-80C2B5F  
D611U303, Rev. C covers the B1F version  
Appendix A – Rev F covers the conversion to the B5F

**Flight Control Data Revision** D611U321, Revision C

**Flight Management Computer** Honeywell Part # 4052508-952

**Simulator Model and Manufacturer** Full Flight Simulator  
CAE Electronics Limited  
St. Laurent  
Quebec  
Canada

Upgraded February 2001 by  
Quadrant Systems Limited  
Burgess Hill, United Kingdom

**Date of Simulator Manufacture** 1990 (Simulator was previously in service with All Nippon Airways, Tokyo, Japan)

**Simulator Computer Identification** Encore Multisel

**Visual System and Manufacturer** CAE TROPOS 6000 - WIDE 210° - 2009

**Motion System and Manufacturer** Six Degrees of Freedom, CAE Electronics (500 series)
